PERFECT SURGE

Stufe

20

Once per day, manifest one power with a +10 wild surge bonus. Also add +3 to the power's save DC, +3 to any attack rolls and treat the power as if it were 5 levels higher. Double the power's effect radius, and its visual intensity. Anyone touching you during a perfect surge suffers 1d4 fire damage.
Psychic elevation: Using perfect surge triggers psychic elevation for 1d4 rounds. Also lose power points or hp equal to manifester level +10, and take 2 points burn to every ability score.
